

PERSONAL PROFILE

Dr. Gang Shen serves as Vice Dean of the College of Stomatology at Shanghai Jiao Tong University. He obtained his BDS in 1988 and then MDS (Orth) in 1991 from Shanghai Second Medical University (now Shanghai Jiao Tong University School of Medicine). In 2000, Dr. Shen was awarded a Ph.D from the University of Hong Kong Faculty of Dentistry. He was Chair Professor of Orthodontics Shanghai Jiao Tong University School of Stomatology from 2000 to 2004 before he moved to Australia taking up the full time academic position as Associate Professor of Orthodontics in University of Sydney Faculty of Dentistry. He was also appointed as orthodontic staff specialist treating patients in Sydney Dental Hospital and Westmead Hospital. He was given special permission by Australia Dental Board NSW to conduct extramural private practice. In June 2008, Dr. Shen returned to Shanghai and resumed his duty as Chair Professor of Orthodontics Shanghai Jiao Tong University School of Stomatology. Dr. Shen's research interests include biological and biomolecular response of bone junctions in craniofacial regions to external forces, biological mechanisms of phenotypic shifting of chondrocytes during the transition from cartilage to bone, and the innovative work on development of the newly designed twin-slot bracket. Dr. Shen has published extensively in many top dental and orthodontic journals and lectures all over the world.
